

Unify Technology Connectivity Certification

The connectivity of the SIP Trunking Service Provider

htp Business FleX SIP-Trunk smart

has been successfully certified at the SIP Trunking Interface of
OpenScape Business V3R3

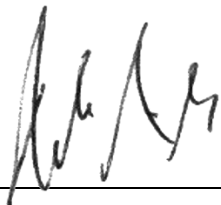

htp GmbH is now entitled to label their SIP Trunking Service with the OpenScape
Business certified ITSP emblem.

This certificate is valid in Germany in conjunction with the test report and the notes contained therein. The
notes are published in the Unify Wiki:

http://wiki.unify.com/index.php/Collaboration_with_VoIP_Providers#Released_SIP_Providers_in_Detail

The test report is focused on the functionality of the SIP Trunking interface. Test of overall feature
functionality of solutions is not part of this certification.
